

The Monarch[®] 9416[®] Desktop Thermal Direct Printer

When the Work Space is Tight, This Monarch Printer is Right!

The Monarch[®] 9416[®] Desktop Thermal Direct Printer

This printer is versatile, has a small footprint and fits in anywhere. In the store, your sales associates can print out a new label or tag instantly, speeding returned merchandise back to the floor or returning it to the distribution center or vendor. Equally at home on the shipping dock, it quickly moves merchandise out the door with routing or shipping labels. Its simple design makes it easy to operate!

Products & Services

Small and Mighty!

Speed

Featuring a leading edge processor, the 9416 can print at speeds of up to 5 ips, increasing productivity when quick label or tag turnaround is essential.

Versatility

Need a printer that can print on a wide array of supplies? With the 9416, you can print labels, tags or receipts. Select from non-indexed, continuous, die cut, black mark, roll or fanfold, liner or linerless.

Combine this with a easy-to-load clamshell design, and you've got a printer that works with YOUR supply requirements and is easy to use.

Loaded!

The 9416 may be small, but it's big on memory, featuring 2Mb of RAM and 1Mb of flash. With more memory to work with, print jobs go faster, increasing productivity. If this standard memory still isn't enough, memory upgrade options are available in increments of 2Mb, 4Mb, 6Mb and 8Mb.

PC software to create a format and print is included.

(-04LV model only, Labelview XLT+ Software)
